PARTNERING FOR CHANGE

What is Namma School Namma Ooru Palli?

Namma School Namma Ooru Palli (NSNOP) is an initiative established by the Government of Tamil Nadu to foster community engagement and CSR partnerships for Government Schools in the State. This visionary initiative was launched by our Hon'ble Chief Minister, Thiru. M. K. Stalin on December 19, 2022.

How can you get involved?

DONATE TO A SPECIFIC SCHOOL

Under **Cash Donation**, you will be contributing through our secure payment gateway to a particular school. NSNOP will take care of its implementation.

Under **Kind Donation**, you can donate materials for schools which need them or implement a required construction or renovation project yourself.

SCHOOL ENGAGEMENT

Under **School Engagement**, you can impart soft skills or contribute your time and expertise to enrich students' learning experiences.

QUICK CASH DONATION

Under **Quick Cash Donation**, your contributions will not be designated to a specific Government School or its needs. NSNOP's Executive Committee ensures that the contribution goes where it's needed the most.

SUPPORT HIGHER EDUCATION

Offering assistance to students pursuing higher education is one of our priorities. Under this category, you can support Government School children by providing laptops and scholarships.

ALUMNI REGISTRATION

If you are an alumni of the Government Schools of Tamil Nadu you can register on our website to connect with old classmates, reunite and witness the transformation of your alma mater.

We provide

80G and Utilisation Certificates.

We are

CSR Form 1 compliant.

Website

We have a website that functions as a transparent medium of our partnerships. The portal gives account of the contributions that we have received from our donors and gives update on the usage of funds.

Your Donation

Every transaction is mapped to a unique project ID so that the donation can be monitored and tracked at all levels. You can access the information and track the utilization of your donation through the user dashboard.

Fund Allocation

The **Get Involved** section on the Home Page allows you to choose the school, needs, donation amount and your fund will be allocated accordingly. You can also volunteer or explore other partnership opportunities on this page.

Donor Dashboard

The Donor Dashboard provides a transparent account of your donation. Be it for equipment or a construction project, you can track the progress at every stage. At the final stage you can download the completion and utilization certificates.

Virtual Pavilion

Experience the life of the students you have impacted on the Virtual Pavilion. You can observe extra-curricular activities, initiatives and achievements of every Government School. The Pavilion also helps alumni reconnect with their batchmates.

Let us be your catalyst for empowering communities through schools.

We streamline and simplify the approval process.

Our Donor Dashboard enables real-time tracking of your donations for increased transparency and accountability in our projects.

We showcase the lasting impact of your donations.

We are here to help you make a positive impact on the lives of school children across Tamil Nadu.
